Docket No. 98N-1265
Food and Drug Administration APR -9 A11 :20

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have finally found a medication
produced by Women's Health America - Madison
Pharmacy, Associates that has relieved symptoms,
and has helped me to avoid a hysterectomy.
Most importantly, this natural progesterone has
improved my quality of life.
